ACCESSIBLE HOLIDAY COTTAGES IN CORNWALL

We hope you're all well, and have had an enjoyable summer, albeit a different summer than usual! The weather, for the most part, has been glorious, with Cornwall adjusting well to the new normal.

We wanted to say thank you for the continuous support from you all; our bookings are flying in for 2021, and we have very limited availability for the remainder of this year too!

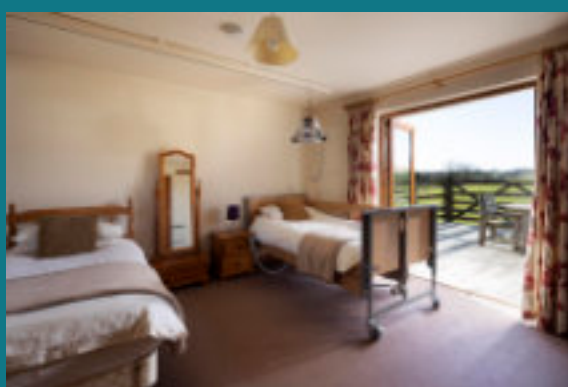

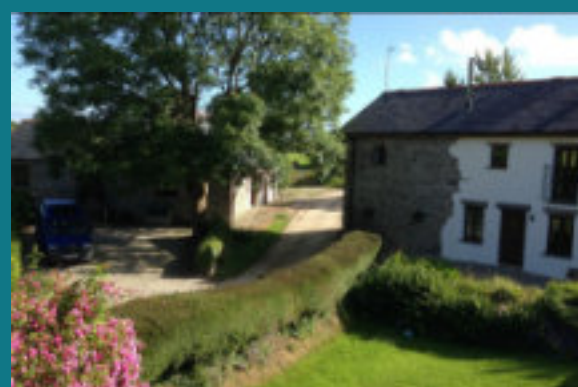

As we head towards a quieter Autumn, we wanted to let you know that Buzzard Watch now has unexpected availability, from the 31st October until the 12th December, so please do have a look at the calendar as we would love to welcome you all, especially those of you who were unable to make it to Treworgans earlier in the year!

For those of you who have not yet stayed with us, we wanted to share this great review from a new guest, who stayed in Valley View;

*'We were supposed to be going on a cruise but due to Covid, we ended up booking this little gem. As a family with a disabled child, we often struggle to stay in places that 'have it all' but this place definitely did. All the equipment is provided and was never too much trouble. Nestled on a lovely farm, we had sheep, geese, chickens and ducks next to our lodge and absolute peace at night. The accommodation was clean and spacious and the welcome pack was delicious. Nothing was too much trouble and the owners manage to maintain that personal and friendly touch. Great location, everything just a short drive away. We will definitely be back. We had the best week, thank you'*

If we can be of further assistance, please don't hesitate to get in touch, we would love to hear from you!

Looking forward to welcoming you and your friends and families throughout 2020, and 2021.

Best wishes,

David & Esme
