

# Treworgans

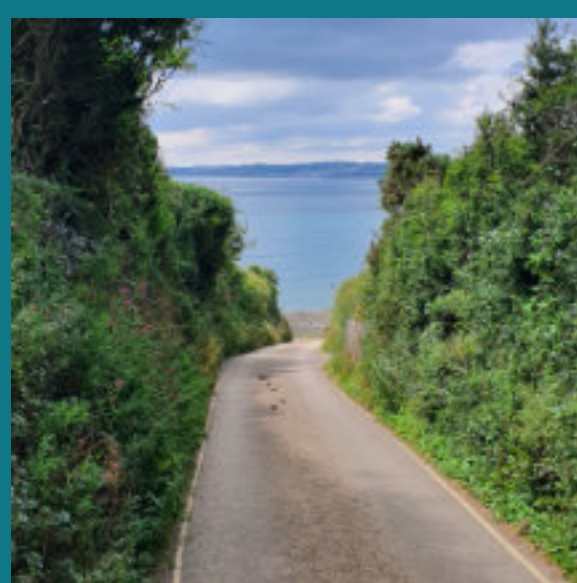

ACCESSIBLE HOLIDAY COTTAGES IN CORNWALL

We are enjoying sharing Treworgans with guests again and have seen lots of new faces too this season.

Cornwall has just enjoyed a bumper week of wall to wall sunshine and guests have had a great time on the [Wetwheels](#) powerboat that runs trips out of Falmouth and can accommodate wheelchairs and can be driven by all. Another favourite this summer has been the [Bodmin and Wenford Steam Railway](#). The [Big Blue Surf School](#) at Bude for surfing lessons is always a big hit for those wishing to experience the thrill on the beautiful north Cornish coast.

Despite news reports that Cornwall is full to bursting our guests and us have managed to find quieter spots to enjoy the beautiful scenery on our doorstep. Trips on Bodmin Moor and the southern coastal villages of Veryan and Portloe are definitely quieter than some of the more popular destinations.

As 2021 has been the year of the “staycation” we have seen bookings taken much further in advance and, as a consequence, booking ahead for 2022 is happening in greater numbers. Please do take a look at the availability calendar if you’ve not managed to travel in 2021 and hope to in 2022, we’d love to welcome you again!

Do hope you are well and enjoying the summer,

Best wishes and Stay Safe,

David & Esme
