ACCESSIBLE HOLIDAY COTTAGES IN CORNWALL

Do hope you are all enjoying the amazing spring weather - its bright sunshine here again today in Cornwall.

We are dropping you a line to bring you up to date with some new additions at Treworgans Farm Holidays which we hope will make your stay here easier and more enjoyable.

We have recently bought 2 new profiling beds. These beds are not only 4 section profiling but also have the option of Trendelenburg and Anti Trendelenburg function.

These beds have either pressure mattress or the air pressure mattresses and can have bed rails too.

The other new purchases are ceiling track hoists in both cottages. As always, we have listened to your suggestions and are happy that we can now offer this to you all and really hope that it improves your comfort whilst holidaying with us.

Holiday bookings are being made further in advance this year and this means there is limited availability for spring/summer 2022 and we have started taking bookings for 2023 too.

As always, please don't hesitate to get in touch if we can be of any help if you are planning a holiday in this beautiful part of the world.

Looking forward to welcoming you all back in the future,

With best wishes

David & Esme
