ACCESSIBLE HOLIDAY COTTAGES IN CORNWALL

Do hope we are not too late to wish you a Happy New Year! With the efforts of this latest lockdown combined with the vaccination program we do have to hope that 2021 will bring about an improved situation for us all. Indeed, our first morning of the New Year brought this amazing sunrise.

Our polytunnel production for 2021 is already underway! Broad beans sown and seeds ordered. Hopefully we can provide enough for us, the welcome hampers and the veg stall at the bottom of the drive. Fingers crossed!

For those of you who didn't manage a Cornish holiday in 2020, there has certainly been plenty of coverage on the TV featuring lots of Cornwall. Rick Stein, the Mevagissey fisherman, Susan Calman and Julia Bradbury have all managed to show some of our natural beauty to a wide audience. As "staycations" are likely to be very popular again this year, anything to raise the profile of Cornwall as a holiday destination is very much appreciated.

We look forward to welcoming you all back as long as we are permitted to do so and share the real Cornwall with you rather than watching it from afar.

If we can be of any assistance or you have any questions, please don't hesitate to get in touch, we would love to hear from you!

Best wishes and Stay Safe,

David & Esme
