ACCESSIBLE HOLIDAY COTTAGES IN CORNWALL

As a busy weekend of sport approaches we thought we'd drop you an email before you get enthralled with the Wimbledon finals and a seemingly unmissable football match!

Cornwall is enjoying bumper visitor numbers at the minute, and we are welcoming back familiar faces and some new ones too.

We have recently been interviewed about the "story" of Treworgans, so we thought we'd share the article with you [here](#). Can't quite believe that we have been trading this long! Feels like only yesterday that we opened and welcomed our first guests. The business has only evolved to become what it has today by the positive and encouraging feedback that we have had from our guests which in turn has made a holiday with us more comfortable and enjoyable. For this help and advice we are very grateful and we will continue to strive to adapt and improve to help more visitors enjoy a well deserved holiday in beautiful Cornwall.

For those that we have not seen for a while, we can now offer a tilting shower chair as well as the self propelled, assisted, and shower stools options.

Please don't hesitate to get in touch if you are wanting to plan a holiday in Cornwall - we are always here to answer any questions. Currently there is some availability in October 2021 and we are taking bookings for 2022.

Best wishes,

David & Esme
